

International Forum for Headache Nurses (IFHN)

Hjerneskadekonferansen & Nevrokongressen 2017
Nasjonal konferanse for hjerneskaderehabilitering og nevrosykepleie
3. - 4. mai 2017 i Trondheim

Bakgrunn

- EHMTIC
 - Oktober 2010 i Nice
- Styret:
 - Annette Vanga Rasmussen Danmark
 - Jill Murphy England
 - Jennifer Trouedbach Nederland
 - Esther Thomkins Irland
 - Gøril Bruvik Gravdahl Norge

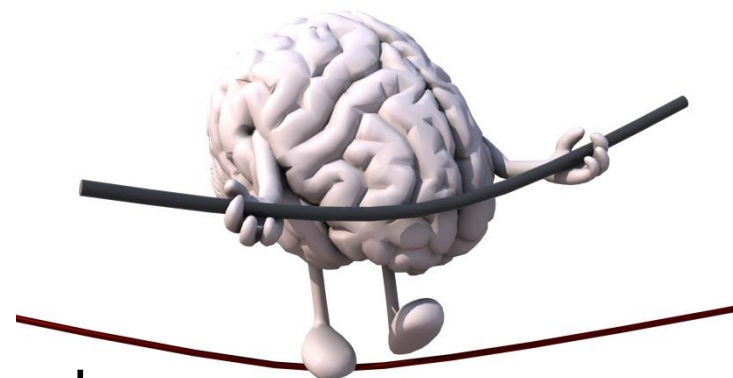

Formål

- Forumet skal definere, utvikle og utvide sykepleierens rolle innen omsorg, behandling og forebygging av hodepine hos mennesker globalt
 - I tråd med evidensbasert kunnskap
 - Hva sykepleiere kan gjøre og bør gjøre for å avhjelpe på en kompetent måte

Forumet

1. Støtte sykepleieforskning
2. Identifisere sykepleiere over hele verden
3. Oppmuntre sykepleiere til å jobbe med hodepine
4. Fremme sykepleierens rolle i en helhetlig behandling
5. Fremme kunnskap/utdanning
6. Forberede og publisere evidensbasert kunnskap for å utvide sykepleierens rolle med hensyn på hodepine og i forhold til lege

Forumet

7. Samarbeider med pasientorganisasjoner
8. Gjennomføre spørreundersøkelser
9. Diskuterer kliniske erfaringer og daglige utfordringer
10. Møte årlig
11. Medlemskap er gratis
